Charter & SIC Sailing Boat

S/Y COLONA II

Location

Kawthaung Myanmar

Kawthaung Airport has flights from Yangon or can be accessed by road from Ranong, Thailand or by water from Phuket. It is not possible to journey overland from Yangon to Myeik due to travel restrictions.

Cruising

Colona II is a steel-hulled sailing vessel that can also accommodate scuba diving activities. The Colona II was one of the first boats to operate in the Myeik Archipelago and continues to run popular join-in cruises as well as private charter.
